こんにちは。丸岡高校 ESS 部です。私たち ESS 部は、ALT との会話やゲームで英語と触れ合っています。今回の WYM も自分たちのスキルを上げ、情報を共有しあう良い機会にしたいと考えています。やっていることは違えども、それぞれの国で世界のためにしていることはたくさんあります。そのような「私たちができる身近なこと」をイギリス・台湾・日本で対比して紹介しようと思います。

We, Maruoka ESS club enjoy English through chatting or playing English games with our ALT, Iggy. We are hoping to use this opportunity to expand our English ability and share our ideas with many people from different backgrounds. There are a lot of things we do for the world. In this presentation, we'd like to introduce the small things that people do for the world in England, where our ALT is from, in Taiwan, where Fu-Cheng senior high school is, and in Japan, where we live. 【POINT: 各国の比較 comparing with other countries】

Fu-Cheng senior high school is located in Kaohsiung, Taiwan. Through these years, we focus on Holistic Education and Co-creative Value. It's our greatest honor to be certified an "Excellent Senior High School" by MOE. Vision-Refinement, Superiority, Dependability. The follows are our goals to cultivate our students:

1. Happy Growth; Effective Learning
2. Respectful Caring; Self Fulfillment
3. Moral Development; All-round Education
4. Multiple Intelligence; Holistic Education
5. Sustainable Management; Co-creative Value
